GIBBS TECHNOLOGIES Gibbs Sports Amphibians Inc. was established to develop and manufacture sports amphibians using GIBBS proprietary High Speed Amphibian (HSA) technology. The first HSA to the market is Quadski, an amphibious personal watercraft (PWC), assembled in Auburn Hills, MI. Gibbs is developing additional sports amphibians in Auburn Hills, and Auckland, New Zealand.

PINE LAKE COUNTRY CLUB was founded in 1902, as the Automobile Club of Detroit, by a group of like-minded automobile enthusiasts. By 1905, they sought a permanent home for their club and were offered a "very picturesque site" on Pine Lake. For map & directions: <http://pinelakecc.com>
